I sure am thrilled to be the newest member of the Yamamoto Prostaff! Having been friends with Gary and Beverly for over two decades, I look forward to helping them serve the bass fishermen of America with the finest baits around.

Yamamoto baits has long been recognized as an industry leader in finesse soft plastics. While they earned their legendary status with baits like the Senko, Hula Grub, and Grubs, there is a whole other side to this bait company that has been largely overlooked by many anglers around the country: their soft plastics for power fishing techniques like flippin' and pitchin'.
